Ah-chan and Ryouka, childhood friends eight years apart, are now teacher and student. Though Ryouka wants to rush into things, Ah-chan can't take one step beyond her role as a teacher. After receiving a matching cellphone charm as a present, Ah-chan buys paired rings for a return gift, only to realise that she's lost the charm!?

The distance between them shrinks away in "STEP UP", a girl in love with Ryouka appears in "STEP FORWARD", and then "step by step" calls for tears of joy with wedding dress x wedding dress. The road to love between Ryouka and Ah-chan is bountiful!

Also included are "Leave hickey?", about the radiant proof of love Kimu carves into the body of her art teacher Miyana-sensei, and "secret love", not previously published in a commercial magazine!
